Calendar

Oct. 24 Red Ribbon Week

Nov. 4 Movie Night & PTA Association Meeting

Oct. 28 Harvest Festival

Nov. 18 Thanksgiving Feast

Harvest Festival *Friday, October 28, 4pm - 8pm*

Our Harvest Festival/Halloween Bash is approaching! There will be food trucks, a bake sale, dancing, carnival games, and a haunted house! This is a fun community event AND a fundraiser. Entry to the Haunted House will be \$2 per person. In addition, you can purchase tickets to play carnival games. Email board@nimitz-pta.org if you want to volunteer.

Movie Night & PTA Association Meeting *Friday, November 4, 6pm - 9pm*

Our first Movie Night of the year is also coming up. This is a great opportunity to spend time with friends and family. This year we are charging \$2 per person. We also invite you to step into the Computer Lab to attend our PTA Association Meeting at 6:30.

PTA Advocacy

The PTA is, at its heart, an advocacy organization. We encourage everyone to register, inform yourselves, and vote. PTA never endorses or opposes a candidate for office. It does, however, take positions on legislative bills and ballot measures that affect the lives of children.

Of the 17 propositions on the ballot, California State PTA and 6th District PTA have voted to support these five: **Prop. 51** (statewide school bond); **Prop. 55** (tax extension to fund education & healthcare); **Prop. 56** (tobacco tax); **Prop. 58** (bilingual education); and **Prop. 63** (firearms & ammunition sales). 6th District PTA also supports **Measure Y** (San Jose USD Parcel Tax) and **Measure AA** (Campbell Union HSD Bond Measure). The Cupertino-Fremont-Sunnyvale Council PTA supports **Measure BB** (Sunnyvale renewal of parcel tax).

You can find more information at the California State PTA [State Ballot Measures Page](#) and on the [California 6th District PTA website](#).

Spotlight on Nimitz PTA Programs: The Library

Nimitz PTA provides crucial funding for our school library. Among other things, we make it possible for the library to keep its magazine subscriptions current. Our kids love reading National Geographic for Kids, Sports Illustrated for Kids, and American Girl. Magazines are an important component to our library because they provide up-to-date news, in-depth interviews, science discoveries, and kid friendly recipes that are not possible in books.
